

Hi , this is Anthony Scuzorzo of the Horseshoe Club reporting from our southern office on 11th St.. Friday June 2nd, we opened our fourth season of Horseshoes. There was a lot of "tossing" going on at the courts and some of us actually also got to throw some horseshoes!

On a beautiful day, we were able to relax in the no stress environment(unless you call listening to my brother and how he played that shot off the tree trunk) .

There were a lot of new faces and we welcome anyone who wants to play. Some of the "Ringers" brought there own shoes, and some didn't wear any shoes!

There is no winners or losers just good times! We have a standing invitation (no laying down on this sport) to play the Waretown fire dept again this summer after "we warm up".

So if you think you can come down, and throw some shoes, buXX, or whatever, join us at 9:30am on Fridays, at the courts behind the senior center and you can BYOS(bring your own shoes) !

Just throwing it around,

***Anthony "Tony" Scuzorzo
President of Greenbriar Horsehoe Club***
