Displays: Meeting Room – Retrospective of Portraits by Nancy Bonta Voitko

Nancy trained at the New York Academy in NYC and has over 30 years' experience both as an artist and a teacher. We are fortunate to display her works. As a portrait artist she rarely shows her work, since most of it is commissioned by private buyers. The essence of her subject is what she aims to capture, giving the final outcome a timeless and intimate quality.

Children:

Tuesday, August 1, 10:30 & 11am STEAM Challenge: Aliens Invade – Building and art project. Science, Technology, Engineering, Art, and Math are fun, are awesome! Join us for a STEAM challenge and put your imagination and thinking skills to the test. Ages 6 +. Please register.
