GENERAL INTRODUCTION

The purpose of these Rules and Regulations is to keep the golf course in the best possible playing condition and to make the control and flow of play more enjoyable for all the golf members and their guests.

If golfers are going to enjoy the game, they must be familiar with and abide by the USGA rules (except where modified by local rules) and etiquette of the game.

To have fun playing the game, we must respect one another. Golfers must also respect the golf course and the adjacent private property. As golf is the only sport in which the playing area must also be partly maintained by the players, we ALL have the responsibility of filling/replacing divots, repairing ball marks, smoothing sand traps, etc. When we obey the rules, we all can enjoy the game.

The golf course is not a park or playground. Non-golfing walkers, joggers and bicyclists are prohibited from the golf course and cart paths from March 1 thru Dec 24. Walkers, joggers, and bicyclists are allowed on Cart paths from December 25th to March 1st. Pets are NEVER allowed anywhere on the course. NO winter/snow activities including cross country skiing, sledding, and snow shoeing are permitted on the golf course.

Golf members/homeowners are responsible for actions and fines of their guest(s).

NO ONE IS PERMITTED ON THE GOLF COURSE UNLESS THEY ARE REGISTERED AT THE PRO SHOP TO PLAY GOLF.

If members have questions regarding these rules, they are welcome to call the Director of Golf at 609-693-8885 or the Greenbriar Management Office at 609-971-9060 for an explanation.

All polices, rules and regulations have been adopted by the Greenbriar Oceanaire Association Board of Directors. All polices, rules, regulation and fees are subject to change by the Board of Directors at any time.

PACE OF PLAY

Groups are expected to complete 9 holes in 2 1/4 hours or less, and 18 holes in 4 1/2 hours or less. Rounds will be timed by course rangers and the Pro Shop. As per USGA Rule Book, "It is a group's responsibility to keep up with the group in front. If it loses a clear hole and it is delaying the group behind, it should invite the group behind to play through, irrespective of the number of players in that group. Where a group has not lost a clear hole, but it is apparent that the group behind can play faster, it should invite the faster moving group to play through.

An average hole should take 15 minutes or less to play. Players are also expected to keep up with the group in front of them. Players in a group who demonstrate an inability to play within these time constraints will be moved to their proper place on the golf course.

**DISRESPECTFUL RESPONSES TO THE RANGER ARE NOT ACCEPTABLE.
THESE ARE A VIOLATION OF OGC RULES AND WILL RESULT IN PENALTIES.**

1. Players should and must allow faster players to play through. Playing through is defined by the fact that an entire hole has opened up in front of you, or you are delaying play of golfers following you.
2. If a slow group does not invite you to play through, it is your right to ask tactfully for them to do so. If the group will not agree, please bring the matter to the attention of the Ranger or Pro Shop, as time permits.
3. If you do not see the players in front of you, and players are waiting to play behind you, you will be instructed to speed up play. You may be asked to pick up your ball and go to the next tee if you are exceeding the 4 ½ hour pace of play
4. Walkers are held to the same standards and pace of play. Walkers must allow power carts and faster players to play through.
5. Allow a maximum of 3 minutes looking for a lost ball (Local Rule).
6. Play Ready Golf ' (i.e., be ready to play when it is your turn). 'Ready Golf' suggestions:
 - a. Plan your shot while riding to your ball, or while others are playing.
 - b. Line up your putt when others are putting and be ready to play when it is your turn.
 - c. Go directly to your golf ball; don't follow others unless assisting in a search.
 - d. When on cart paths only, take several clubs with you to your ball so you won't have to walk back to the cart.
 - e. Don't step off or measure yardage for every single golf shot. Develop an "eye" for distance.
 - f. Be efficient with pre-shot routine.
 - g. Leave your clubs on the side of the putting green towards the path of your cart.
 - h. Unless experienced, play the standard tees, not the championship tees.
 - i. Record scores at the next tee, not adjacent to the green just played.

8. Par three holes are cart path only at all times.
9. Damage to the course may cause a cancellation of this program.
