

# LANCASTER GETAWAY

*SIGHT AND SOUND AND AMISH FOOD TOUR*

*August 9 & 10, 2017*

Escape the hustle and bustle and getaway to the serene town of Lancaster. When you arrive, a certified Amish Country Tour guide will join and take you to sample local jellies, jams, and relishes, and also enjoy some wine tasting. You will also join the cooks for the secrets behind some of the more unusual, even unheard of, local specialties - with samples for those who dare! Save your appetite as a family style meal awaits at Plain and Fancy. Finally, you will meet an unusual artist who tells her story as an old Order Mennonite through a very inspirational program of music, art, and narration using chalk as a medium. As she works in front of you, watch her creations come to life! After your meal, you will check in to the Eden Resort with an indoor pool, whirlpool, exercise room, sauna, two restaurants, and a lounge. Relax and enjoy the luxury of the hotel for the evening or engage in some shopping at local outlet centers. After a full American Breakfast the following morning, you will enjoy the Sight and Sound theater's production of "Jonah". As always, amazing special effects, music, and spectacular sets immerse you into this famous story. Before heading home, a stop will be made at Shady Maple, Lancaster County's largest smorgasbord featuring 200 feet of deliciously authentic Pennsylvania Dutch cooking. Time will be allowed to stock up on goodies at Shady Maple Farm Market and Gift Shop with over 40,000 square feet of endless selections and a variety of the finest collectibles and gifts available.
