How will you be an asset to the GOCA Board of Directors? My understanding and awareness of our community over the 14 years that I have enjoyed living here will enable me to make decisions which will enhance our lifestyle in Greenbriar Oceanaire. Along with my many years of commitment to the community, I also feel that honesty, transparency and accessibility are equally important attributes that a board member should possess. As School Principal, my school was one of the first in NYC to do its own "School Based Budgeting" of over \$6 million dollars. So I plan to bring this financial insight, as well as years of practical experience on committees and clubs, to the Board of Directors.
