Tournament Schedule – will be posted to the Website by Betty and included in Flyers

Welcome Letter and Guidelines

It was suggested that Robin compose a “Welcome Letter” which will be distributed to all Lady Golfers. (Include statement asking recipient to reply if they longer want to receive emails from OWGA).

Along with the letter an OWGA Guideline document will be prepared. The document will outline:

1. End of year awards—most improved (18 & 9), hole in 1 , chip-ins, birdies, ringers
Include rules for qualifying, handicap cut off, etc. for end of year awards
2. Thursday fees—9 holers \$5, 18 holers \$7
3. 9-hole tournament for all ladies on cart path only and extremely hot days,
- 4. Handicap requirements for both 9 & 18-hole participants. Need Meeting with Jeff to Finalize**
5. 9 Hole option on Luncheon days. Minimum of 8 players needed to play for prizes
6. Sign-up Deadline (Finalize with Jeff)

Roe will create preliminary document for review and update at the March meeting. Document will be included along with Welcome Letter in email blast, posted on Website, posted on Bulletin Board and included with Flyers.

Roe will request meeting with Jeff Bebbino . Purpose of meeting is to clarify some of the guidelines such as Handicap requirements, sign-up deadline, etc. Brooke & Maryann volunteered to attend also.

New Residents

Robin obtained a list of Closing for the last few years. Brooke mentioned that Tony Barone of the **Golf Committee** will be reaching out to new residents to welcome them and provide information on the golf course and both men and women's days.

EMAIL List – Need to obtain list of Golf Members from Cindy for email additions as the season progresses.

Quiz—will be given on 9 & Wine day and possibly a small prize will be given to the foursome that wins the contest. Need to review Quiz questions to ensure they are applicable to how we play: e.g. we do not enforce rule that same brand ball be played for entire hole. Also need to determine how quiz will be administered for most fun.

Mentoring/Rules of Golf

Number of 9 holers at luncheon expressed interest in Mentoring Program as well as questions about the Rules of Golf. Brooke is looking at Infographics for simple rules explanations. Also discussed the golf Booklet that was given to all members a few years ago. Would be nice to do again but there does not seem to be any money for such an expenditure. Will bring up subject of Rules Walks with Jeff Bebbino when we meet with him.

Meeting Adjourned at 11:30am. Next Meeting—March 22nd.
