

# 2020 Lawn Watering Guidelines

## Greenbriar Lawn Watering Rules of Thumb-

To develop deep roots-  
water **ONLY** twice per week:  
(Mon/Thurs; Tue/Fri; Wed/Sat)

See the lawn cutting schedule to  
find your watering days

**ALL SEASON LONG!** Hot weather updates coming  
soon...

## ■ Programming your timer for Spring:

1. Turn the seasonal adjust dial to 100%
  2. Rotary Sprinklers, front & rear yard  
- 35 to 40 minutes
  3. Spray sprinklers, side yard  
with **NO DRAINAGE ISSUES**  
-15 to 18 minutes
  4. Spray sprinklers, side yard & drip zones  
-with **DRAINAGE ISSUES**  
-water only **ONCE** per week for 5 minutes
  5. **Watering start times are 3 am; 4 am; 5 am; 6 am**  
-**See our chart to find your start time**
  6. When finished programming, turn the dial to-  
50% on your timer's seasonal adjust
  7. **LEAVE YOUR TIMER OFF** until Mother's  
Day
- **WATER ONLY IF IT DOES NOT RAIN... ALWAYS!**
- **Have your rain sensor checked & repaired if necessary.**
