Fund Drive 2019

Dear Neighbor,

Waretown First Aid Squad is once again conducting its fund raising campaign. This direct outreach goes toward the purchase of medical supplies, equipment, and to offset the cost of training for our volunteers. As an all volunteer first aid service, we rely on the community for their generous contributions. It's that support that allows us to continue to provide high quality emergency

medical services to our friends and neighbors, as well as to continue to train new and current members. The volunteers of Waretown First Aid Squad are on call 365 days a year and participate in many hours of training to be prepared in your time of need. Last year our members responded to 733 emergency calls and spent nearly 2,350 hours helping others in need. You make it possible! Without the support of the community we would not be where we are at today. The members of Waretown First Aid Squad thank you in advance for any contributions.

Mike Kane **WFAS Captain**
