

## Greenbriar Exchange Program [GEP]

*Dear Neighbors* ... many of us have equipment we've had to buy for surgeries & replaced knees, hips, shoulders, etc. We have walkers & crutches & canes & scooters & hi-toilet seats ... & many of these items are in good condition.

What is being proposed is that we have a listing of residents who have equipment they are willing to lend out to neighbors. When a resident needs an item s/he contacts a neighbor who has such & requests to borrow such. The Borrower would sign an "indemnification form" releasing the Lender of any liability. When the item is no longer needed the Borrower would return such to the Lender.

We are proposing such to help our neighbors so that we don't:

- add more & more items to our garbage dumps
- overburden Medicare & our insurance companies
- have out-of-pocket expenses for items that are readily available to borrow

## Hold Harmless & Indemnify

Greenbriar Exchange Program [GEP] is open to any resident of the community. As a participant in GEP, the resident understands and agrees to abide by the policies, rules and regulations of the Association. Each partaker is fully aware that s/he is responsible for his/her own actions while participating in GEP. Each resident agrees to hold harmless and indemnify all GEP participants, Greenbriar Oceanaire Community Association & Taylor Management from all claims, damages, losses, and injuries that may be incurred as a result of their voluntary participation in GEP. This is an Agreement between the Lender and the Borrower. The Association assumes no responsibility for any equipment used in this program. The Association is not the Lender and makes no representations and provides no promises or warranties relating to any equipment. The Association does not validate any of the involved equipment.
