

Attached is the Women's Skills Evaluation for the 2019 season. The names listed are of those who were active participants this past season. Returning and new members will be added in the spring.

As requested by our members, we have designated three categories with a description for each. Although there are three ratings, the overall evaluation numbers will determine the **TWO (2)** levels for next year (Advanced and Intermediate).

Please print the attached survey and follow the instructions. It is important to read the guidelines for each level to assist you in your evaluations. If you do not know or have not played with someone please fill in DK (Don't Know).

We encourage everyone to participate in this independent, anonymous process. It is important that your survey reflects your own personal assessments, **not** those of others.

For those who have left for warmer climates you can mail your sealed envelope to:

Karen Kessell
139 Spring Lake Blvd.
Waretown, NJ 08758

If you have any questions or need a hard copy of the survey contact Karen (609-549-0720).

Thank you for your participation.
