INSTRUCTIONS

Place a number for the skill level in the Eval. Column next to the name of the player you are evaluating or a **DK** for **Don't Know**.

4 = VERY PROFICIENT: Very good consistency and ability to vary game according to opponent. Aggressive net play, good anticipation and mobility. Accuracy with power and placement of serve and groundstrokes. Ability to hit a variety of shots. Hitting with more pace and good doubles teamwork.

3 = PROFICIENT: Dependable strokes and placement. Improving ability to evaluate and adjust to opponents' game, court coverage and anticipation. Improving net game, confidence and accuracy of various shots.

2 = LESS PROFICIENT: Consistent on medium-paced shots, usually plays one up and one back, not comfortable with all shots. Approaches net when play dictates. Developing court coverage teamwork and strategy.

DK = Don't Know skill level.

Do not leave any blank boxes.

THIS IS AN ANONYMOUS SURVEY
