

2019 Round Robin Gentlemen:

Please start planning dates and times for your matches that should start on or about June 1 in order to ensure we can get all these matches (16 total each week) assigned to an available court. Use the Open Court Times document to find play times.

We encourage late afternoon times. Also, where necessary, preference could be given to your matches over unassigned play (i.e. Men Mon and Thurs); on the lower courts. The Lake courts may be an option where necessary.

Set up your Week 1 Matches ASAP and record them on the posted schedule (at the courts) for everyone to see in order to avoid any conflicts. The Tournament schedule sheet is posted at the Courts to allow everyone to know which dates and times have been prearranged by the participants.

Here is an example of the schedule sheet

Note, the Week one matches, where possible, should be as follows, to keep everyone on the same schedule:

Week 1 Matches

- **Team /Player 1 versus Team/Player 2 in each Group**
- **Team/ Player 3 versus Team/ Player 4 in each Group**

So, for example in the [Draw Sheet Doubles](#) below: **Group C Teams**, the following matches should be scheduled for Week 1:

Suggs/Kosnick vs Mitchell/Rosenberg
Scotto/Giacobello vs Barkauskas/Volpe

No Court times are guaranteed until posted on this sheet, so everyone needs to get their times in as soon as possible.

Results can be entered on this sheet but also need to be confirmed in an email to Joe B at greenbriarocanairtennisclub@gmail.com

Thanks,

The Round Robin Committee
